

MACK AND MABEL

Small Pond Productions and Studio Theatre are staging the North Devon premiere of Mack and Mabel at the Landmark Theatre, Ilfracombe on Thursday 14, Friday 15 and Saturday 16 October 2010. This is the major production of 2010 and is being funded solely by the two companies.

However, the cost of staging such a big production – with a large cast, orchestra, a large backstage and support team and professional stage set – is considerable.

To help us bring this high quality production to North Devon, we seek sponsorship to support it.

Sponsorship options

£40 sponsorship of principal cast member with business contact details printed in programme and repeated with a clickable link to sponsor's web site from studiotheatronline.org.uk

£15 sponsorship of company member with business contact details printed in programme and repeated with a clickable link to sponsor's web site from studiotheatronline.org.uk

Bigger sponsorship opportunities – eg stage set – available by agreement.

Ilfracombe and North Devon businesses have always been generous in their support of the companies' productions and we are grateful for all support provided.

To sponsor Mack and Mabel, please complete and return the form below or call Robert Zarywacz on 07971 176044 or Bob Corwin on 07733 080768.

Please return by Sunday 26 September 2010.
